

Women of Worth Retreats

I am my beloved's and my beloved is mine. Song of Songs 6:3a

The Women of Worth retreats are unique 3-day retreats for the women of Priest Lake Christian Fellowship and other Christian communities. The focus of these retreats is love, service, and affirmation from the women of Priest Lake and other Christian women who are 30 or older to younger women. Its theme is the worth of who God says we are as His beloved daughters.

You will find at a Women of Worth retreat purposeful times of worship, meditation, prayer, teaching, recreation, fellowship, and sharing. Whether you decide to serve as a host or to be served as our guest, you will find yourself drawn deeper into the truth of who God says you are and the excitement of listening to God and His plan for your life.
